There is one thing I know in the world,
Hard work really pays.
It is the true way to success.
Achieve all your dreams with hard work.
When a chance shows up, grab it.
Work hard and push it to success.
Do not see the challenges,
See what can come out of it.
Choose friends well too,
Ones you can carry on toward
your visions in life...

Today I am what I am because of **PCE**.
We are in the midst of achieving
success from education.
The love, laughter and advice we shared,
Will ever remain in the albums of our lives.
We will always remember and will
always be remembered by PCE Foundation.
Long Live Aunt Olivia,
Long Live Aunt Beatrice,
Long live Aunt Josephine,
Long Live PCE Foundation!

Big up my brethren,
Love begins with a look,
Goes on with a smile,
Grows into laughter
And ends with tears.
So if you're ready to love someone
take a look and stay
warned of plastic faces and looks.

My sincere gratitude and applause goes to my wonderful mentors, Susanna and Hodan, and to our Director, Achieng Beatrice Nas, who have paved my way and played a big role towards my education. They have made a huge transformation that has matured me into who I am today; a teacher and a yardstick to my future. Indeed they have shown me the way that I hadn't seen.

My prayer is that the almighty God blesses them abundantly.

Thank you PCE Foundation!

I thank everyone who is supporting my education, especially Aunt Jana. I really thank you a lot for loving and caring for my life and education. I don't know where I would be without your support in my life, having lost both of my parents. You picked me from afar.
